- The map illustrates the Strategic Active Travel Network for Bath and North East Somerset. It shows a dense network of connections between various towns and villages. The connections are color-coded: orange lines represent A-road corridors, purple lines represent school access connections, blue dashed lines represent the National Cycle Network, green lines represent spine access connections, and yellow lines represent branch meeting or cross-spine connections. The map includes labels for numerous locations such as Keynsham, Bath, Radstock, Midsomer Norton, and many smaller villages. A scale bar in the bottom left corner indicates a distance of 5 km.
